

40 Years of Finding Out

Wednesday, 5 November 2025

Join us as the IMP celebrates 40 years of scientific discovery with a special one-day symposium. Featuring talks by distinguished alumni and a reunion of our global community, we'll reflect on our past and look ahead to future frontiers. The event will also host the Birnstiel Award ceremony and is held back-to-back with the Vienna BioCenter PhD Symposium (6–7 Nov).
